

THE  
*HERRICK*  
HOUSE

*Independence and companionship...  
with a little help.*

**The Herrick House is the North Shore's most trusted senior living community. Nestled in a beautiful and private wooded setting on the upper campus of Beverly Hospital, this unique location offers residents easy access to physicians, outpatient and 24/7 hospital services. As a member of Beth Israel Lahey Health, The Herrick House staff can connect residents and families to a comprehensive range of healthcare services.**

The Herrick House • An Assisted Living Residence • 89 Herrick St., Beverly, MA 01915 • [HerrickHouse.org](http://HerrickHouse.org) • 978-922-1999

*The Herrick House is a not-for-profit organization, owned and operated by Beth Israel Lahey Health.*

## Assisted Living

The Herrick House assisted living residence offers our residents an outstanding level of service, privacy, independence, and the joys of being part of a community of their peers. Each week, residents have many opportunities to socialize and participate in group activities, alleviating the isolation that is so common for elders today.

## Short-Term, Transitional, and Respite Care Amenities & Services

The Herrick House offers services unique from those offered in other traditional “social model” settings. Professional, compassionate staff is always ready with a helping hand.

Whether it is a short-term, transitional or respite care stay, you or your loved one will enjoy all of the amenities that make The Herrick House such a special residence:

- 24-hour on-site licensed nursing and resident care aides
- A convenient option when you or a family member needs the security of assisted living
- An opportunity to rehabilitate after an illness or medical procedure
- Customized care plans to meet wellness and healthcare needs of you or a family member
- Up to 6 hours of personal care per week included. Enhanced care options available.
- Fun social, educational, and spiritual wellness programs
- Fully furnished private, spacious, and bright apartments
- Medication management
- Experienced and caring staff
- Up to 6 hours of personal care per week included. Enhanced care options available.
- Health care coordination
- Three delicious and nutritious meals daily, offering restaurant style dining

## Spectrum Memory Care

Spectrum is a specially designed program of 16 apartment homes that focuses on care for those who suffer from cognitive impairments. The goals of the program are designed to provide a lifestyle that promotes compassion, dignity, and respect in a safe and secure environment. Failure-free activities promote feelings of success and accomplishment, while maintaining the resident's self-esteem within their individual abilities.

Memory care residents can choose from studio and one bedroom apartment homes.

### Memory Care Amenities & Services
